Jazz Band Contract 2016 - 2017

Academic Eligibility -- The eligibility guidelines for playing in jazz band or any other after school sponsored activity are as follows:

In order to participate in extracurricular activities, a student must earn a minimum of a 2 for all of their standards that are represented on the report card. A student is not allowed to earn a 1 for any standard that is represented on the report card.

If a student does not meet these guidelines at the time report cards are issued they will not be allowed to try out for an activity until the following report card. When report cards are issued mid-season, students who do not meet the above guidelines will be removed from the activity until the following report card.

Attendance at Rehearsals and Concerts - If a student is going to miss any rehearsal they must provide 48 hours notice unless they are ill or there is a family emergency. If a student has a school related sport they are participating in I ask that students in jazz band always attend a game before they attend a rehearsal. If students have practice or rehearsal but not a game or performance in another school related activity I ask that students attend jazz band rehearsals. Every concert should be attended by all members of this ensemble unless the student is ill or there is a family emergency. I understand that your child may need extra help in other subjects and encourage them to take advantage of these opportunities. Please have your child try to make arrangements for extra help on a day other than Thursday if possible. Many teachers are only available only on Thursdays so I uderstand if that is the case. If your child is involved in another school activity that takes place during jazz band and they cannot make arrangements with their coach or advisor to attend jazz band under these provisions, the students will have to forfeit their spot in the ensemble.

In addition to academic eligibility, students in jazz band are expected to maintain a high level of musical performance. This applies to jazz band as well as concert band. Appropriate classroom behavior is expected during jazz band rehearsals and performances. If it becomes apparent that your child is not making a positive contribution to jazz band I will be calling home to discuss further participation.

Violation of this agreement and the general school rules and behavior expectations in the student handbook may result in suspension by the administration or director. Please keep this activity agreement for your records and sign and return the signature page to me.
